ITLDO801 Assignment 3: Test Logging

Student: Kevin ABIJURU

Ref No: BTI-20250306

Module: Development Operations (ITLDO801)

GitHub repository: https://github.com/KevinAbijuru/kevinabijuru.github.com

Portfolio: https://kevinabijuru.github.io/

Test Plan

Test ID	What is tested	Steps	Expected result
TC-01	Home navigation link	Open portfolio, locate Home, click, inspect URL.	URL path is /index.html; PASS.
TC-02	About navigation link	Open portfolio, locate About, click, inspect URL.	URL path is /about.html; PASS.
TC-03	Services navigation link	Open portfolio, locate Services, click, inspect URL.	URL path is /services.html; PASS.
TC-04	Portfolio navigation link	Open portfolio, locate Portfolio, click, inspect URL.	URL path is /portfolio.html; PASS.
TC-05	Contact navigation link	Open portfolio, locate Contact, click, inspect URL.	URL path is /contact.html; PASS.
TC-06	Portfolio Details in Pages menu	Open portfolio, open Pages, click Portfolio Details, inspect URL.	URL path is /portfolio-details.html; PASS.
TC-07	Missing-link negative test	Search for absent missing-assignment-link.html.	Failure is handled, logged, and captured with screenshot.

Implementation

The Selenium runner uses Python logging and creates a unique timestamped log for every run. The complete text from all three generated log files is included below. Each failed-test screenshot is embedded directly below its corresponding log evidence, as requested.

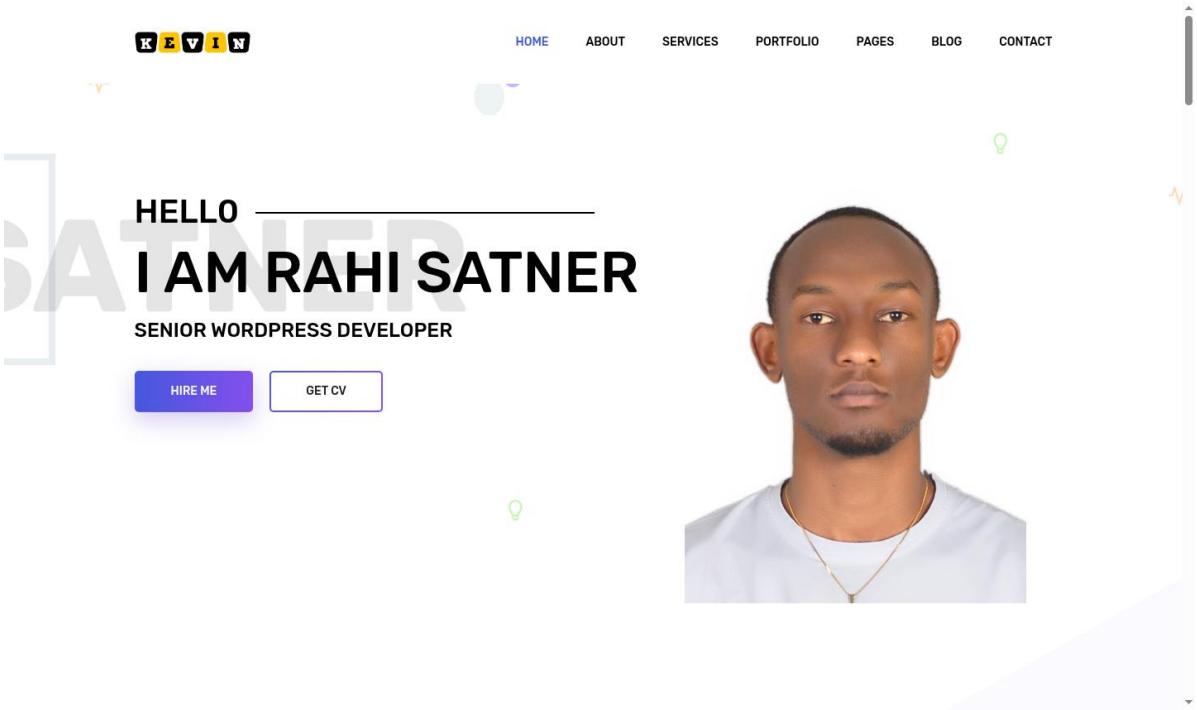

selenium_run_20261025_145153_692154.log

2026-10-25 14:51:56 | INFO | RUN START | website=https://kevinabijuru.github.io/ | browser=chrome 156.0.8078.47 | operating_system=Linux-6.18.54.1-microsoft-standard-WSL2-x86_64-with-glibc2.41 (Basically a windows subsystem for linux, but my actual OS is Windows 11) | run_id=20261025_145153_692154
2026-10-25 14:52:02 | INFO | TC-01 | what_tested=Click Home from the portfolio navigation | expected=URL path is /index.html |

actual=https://kevinabijuru.github.io/index.html | status=PASS | duration=5.831s | title=My Portfolio
2026-10-25 14:52:05 | INFO | TC-02 | what_tested=Click About from the portfolio navigation | expected=URL path is /about.html | actual=https://kevinabijuru.github.io/about.html | status=PASS | duration=2.802s | title=About Me
2026-10-25 14:52:13 | INFO | TC-03 | what_tested=Click Services from the portfolio navigation | expected=URL path is /services.html | actual=https://kevinabijuru.github.io/services.html | status=PASS | duration=6.136s | title=Services
